BREWER HIGH  
1910  
BREWER, MAINE**

## DEDICATION

Loyalty is a quality regarded by some to be of dubious nature in these shifting times; nevertheless, Mr. Pierce possesses an abundance of it. His loyalty to Brewer High, which prompts him to officiate at football games or chaperone school trips, is second only to his loyalty to its students. He always provides a sympathetic ear to the questions of his students, and more than that, takes an interest in their problems.

Perhaps a few stand in awe of Mr. Pierce; his decisive manner, his unabashed convictions, his brusqueness and self-assurance. Yet beneath this facade Mr. Pierce has dedication to his school and students that is unsurpassed. There is also a deep feeling of identification with the common man, which motivates him to uphold the less fortunate. We believe Mr. Pierce is a most uncommon man — dedication such as his is all too rare in times like these.

No one will forget the ringing words,  
"Where's your corridor pass?"

Mr. Pierce, God be with you.

# TO A BELOVED CLASSMATE

John Joseph Sullivan, Jr.

To all his classmates he was Jack, a likeable, happy fellow who went about his work willingly and cheerfully, full of fun, making friends and winning the approval of his teachers. Music was an important part of his life; he played the drums in the school band and sang in the chorus. Jack gave to his work a vigor that revealed the liveliness and merriment of his character. Jack was a member of the shooting team of the Rifle Club, an activity he enjoyed. In his community he belonged to the St. John's Episcopal Church and the Explorer Post No. 4.

The class of 1970 remembers him with affection and his memory will always linger with us and have a place in our hearts.

REASON IS A MONSTROUS JOKE ON THE  
INDIVIDUAL WHO POSSESSES IT. THE  
GODS LOOK DOWN AND LAUGH AT WHAT  
THEY HAVE DONE, LIKE SMALL BOYS WHO  
HAVE TIED A TIN CAN ON A DOG'S TAIL.

IN CONGRESS, July 4, 1776.

The unanimous Declaration of the United States of America,

We, therefore, being assembled at Philadelphia, in a Convention of delegates from several states, now existing, in pursuance of a resolution offered in Congress, at the last session, to consider the expediency of uniting the colonies, do, in the name and by the authority of the good people of these colonies, declare, that they are now, and forever shall be, free and independent states; that they are absolved from all allegiance to the British Crown, and that all political connection between them and the British empire, is, and ought to be, totally dissolved.

We, therefore, declare, that the said colonies, are, and of right ought to be, free and independent states.

Done at Philadelphia,

### Mr. Curvin Farnham, Director

Mr. Curvin G. Farnham directs the Brewer High School Chorus. The Chorus is growing by leaps and bounds, this year claiming 100 members. ## ART

The Art class is broken down into two groups: (1) Beginners, who learn the basics of drawing, and then go on to pastels, watercolors, and woodcuts; and (2) the Advanced group, who work on commercial art, illustrations, and composites. Mrs. LeCleire stresses the fact that these classes are not only for those with special talents, but also for those who wish to learn.

## CERAMICS

With over 80 students in ceramics, the assortment of pottery has been mounting. But through individual efforts, each object has its own original style and flourish. Each year the Art and Ceramics Clubs sponsor the Artist and Model Dance. This year Dan Dawe and Carole Lindsay were chosen as the Artist and Model of Brewer High.

Nola Martin, Ray Dolan, and Bonnie Allen put finishing touches on their Christmas gifts.

It is easy to see John Molinski, Sharon Warman, and Nelson McLaughlin put a lot of work into these intricate pieces.

## 1969 STATE CHAMPS

### Witches Cop State Title

Coached by Ken Perrone and captained by Gene Coleman, the Brewer baseball team posted a 23-2 season. The twenty-three victories broke a thirty-one year school record of sixteen wins. The team set a new state record for total wins in a single season.

In addition to its P.V.C. championship, Brewer took its first state championship in twelve years.

Brewer's offense scored 264 runs, while its tough defense allowed opponents only 53 runs. This was due in part to the pitching of Dana Corey. Also four of Brewer's regulars: Dana Corey, Jim Libby, Steve Tardiff, and Dana Folsom hit over .300.

Hopes for another great season are high, with nineteen veterans on this year's squad.

## TRACK TEAM HAS PACE SETTING YEAR

The 1969 Brewer track team had its best year in the history of the school. In addition to winning the P.V.C. meet for the fourth year in a row, they placed fourth in the state meet, the highest any Brewer team has placed in statewide competition. Brewer's team was undefeated by any rival until the state meet, where only three schools out of sixteen were able to score more than Brewer's twenty-nine points (another record for a Brewer team in state competition), thus giving them a 25-3 overall record for the season.

It was also one of the best years for individuals on the team. Records were set in eight out of sixteen events and, while some of the men did not set records, they placed high in the meets, with many showing great promise for 1970.

Farley is one of our hopefuls in the mile this year, while Higgins showed great promise in the 2-mile. Van Peursem, Cyr, Maines, and Steve Sprague (not pictured) hold the record in the 880 relay, having come in 2nd in the state last year.

Gene Kirkpatrick (also the PVC high jump champ) leads the pack in practice for the low hurdles. Columbo Disalvatore is second. Columbo holds the school record in the high hurdles and was second in that event in the PVC.

With a smile such as this, Doug Maines wins the 440 at the State Meet in Winslow. However, Doug will be back for the 1970 season.

# THE GOLF TEAM

STANDING Roger Grass, Leo Gram, Ed Peterson, Randy England, Herb Crowell, Coach John Norris. KNEELING Gary Daigle, Bob Tardiff, Everett McFarland, Ricky Stuart.

The Brewer High School Golf team started out its season with an almost inexperienced team with Ed Peterson and Everett McFarland, the only returning veterans. The new coach, Mr. Norris, built a whole new team which had a desire to win. We were a team to beat and those who played our team soon discovered this. At the end of the season, we had accumulated the best record in Brewer's Golf history. With our 16 wins and only 4 defeats, we ranked high in the state standings. Our whole team is coming back this year, and we have visions of a state title.

Under the tutoring of first year coach, Fred Pierce, the Brewer Dalers competed in a very successful season. Opening with three losses, Brewer finished the season by defeating thirty-seven teams in its remaining meets. Led by Brent Howard, Captain, Bob Candage; and Tim Higgins, Brewer placed second in the Regionals, first in the Sectionals, seventh in the State Meet, first in the Bangor Invitational, and won the Penobscot Valley Conference Championships.

This was accomplished with the remarkably small team of eight runners. Each team member won his letter.

Willoughby makes his move

The Witches, full of confidence from winning a Class A State Title, almost repeated another triumphant season, having over the last two years compiled a 19-2 record. Starting off the season with a smashing 49-0 victory over their arch-rival, John Bapst, the Witches lost only two games to Lewiston and Portland. The Timothy Geaghan Memorial Trophy was retained in a tremendous 20-0 whitewashing of Bangor. This was the first time in thirty years that Bangor had been shut out and only the second time since 1903 that the Witches defeated the Rams two years in a row.

The year 1969 was also a year for many other accomplishments. Among them were these: extending their home-winning streak to fifteen games, and ending the season with five straight games.

The Most Valuable Player award went to Daniel Gass; Most Improved Player, Richard Duffey; Best Defensive Player, Daniel Dawe; Most Dedicated Player, Dana Hamel; Best Back, Ralph Payne, Sportsmanship Award, David Morrill; Witch Award, Robin Holyoke.

The first game of the season ended in disaster, as Old Town defeated Brewer in a close battle 66-71.

Following the Christmas tournament, Brewer won six games in a row, one loss to Houlton, M.D.I., John Bapst, Belfast, Norcross, and Rockland. The following night Brewer visited Stearns and went down to defeat 66-75.

The Brewer J.V. team coached by James White, had a very fine season. Sporting a record of 10-4 at the time of publication, with four games left this team has a chance of "a" 14-4 record.

This year's team is the strongest in the last ten years at Brewer. Coach White's winning combination has been total team efforts and the use of a platoon system playing ten to twelve different players in a game. It can be said that this team will be a force to be reckoned with in the future.

## IN MEMORIAM

Shortly after noon of January twenty-third, tragedy struck the senior class. Two lives were snuffed out.

No words quite express the grief of the friends and classmates of Kenneth Parker, Jr., and Daniel Day. Perhaps youth learns how near is life to death -- the strand severed. So comes that chilling realization:

"That could have been my best friend in that car!" They were the best friends of many of their classmates.

Danny lived in Holden, yet he seldom missed a day in school, a football practice, or a school event. Loyalty he had; that quiet reserved kind which means strength and perseverance. As a football manager he was always dependable, always playing the game.

Ken was a student helper in the gym, generous with his time and assistance. His bright smile will be missed. The Class of 1970 mourn in silence and wave farewell from the opposite shore.

Cindy, at  
well, at  
last we're going  
to see serious it.  
I'll never forget the  
night we started at  
Cindy's house and your  
joke made us all out to  
Colby and sat "talking". I hope you will  
have just had a good summer and I'll see  
you much. Good luck cause you have  
so next year.

Cindy - A good friend who  
can make anyone laugh  
with her but not at her over  
her serious questions. Keep  
smiling and don't loose your  
sense of humor. Good fortune  
to you always. *AFA John*

Up the hill we drove out into a flat pasture  
up all you can get along the  
old mine road up to the future  
with the old mill across the road  
the old mill is now a ruin  
now all stone  
the old mill is now a ruin  
out of poppies

Best of
